Discover a territory along the Routes of Santiago and Fátima.

The Route of Santiago is the oldest pilgrimage route in Europe. World Heritage Site and first European cultural route, it has, in Maia, three integral paths. The Portuguese Coastal Way, the Portuguese (Central) Way and the Portuguese (Central) Way variant through Braga. A Path to Discover for the Spirituality, Religiosity, Culture and Welfare. The connection to Fatima and the pilgrimage is due to D. José Alves Correia da Silva, 1st Bishop of Fatima Sanctuary and native of S. Pedro Fins, Maia.
